Make every day a holiday in this very private property, which has the cool, easy feel of a luxury resort. It's perfect for downsizing in style, for young professionals or high-standard investors.

Professional front landscaping and a curved driveway is a soft and welcoming introduction, with the house nicely set off the street.

Take the front door, or the internal garage door, into the entrance hall, where a handy storage cupboard keeps things clutter-free. Then, it's all about the open-plan living, which is bright and light, with a beautiful honey-toned timber floor.

The island bench in the kitchen is perfect for gathering around the charcuterie board, and the built-in wine storage
