3 1 2

Be prepared to be delighted when you step inside this fun and fresh 1970s home. It's been given a total revamp over recent years with a contemporary fit out to compliment some wow-factor original features.

The home presents a smart façade behind large, lush ornamental pears, which are poised to put on their autumn show. A carport with roller door, a crisply rendered front and freshly-painted eaves & fascia's precede the high entrance way.

Open the front door to a soaring cathedral ceiling with exposed beams overhead and brand-new floor coverings underfoot.

Chic grey-toned vinyl plank flooring and charcoal carpet are the most recent additions to what has been a labour of love
